A Word from Our Pastor

Finally brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable - if anything is excellent or praiseworthy - think about such things. Philippians 4: 8

Sometimes our mind-chatter can be so LOUD, so invasive. It thwarts our best efforts at being productive - much like a computer virus. All our dark, negative thinking clogs the flow of our creativity, noble thoughts, and pure intentions. Like a computer virus, it takes more than simply shutting down our desktops (or laptops) and powering back up to rid the software of whatever is compromising the system.

The same is true for our minds. Scriptures offer us perfect tools for "shutting down" the negativity in our spiritual and mental hardware. Focusing on things that are good and pure and lovely is a discipline that not only helps us reframe our perspective in the moment but prepares us to perceive the Adversary's arrows of guilt, gloom and pessimism for what they are: distraction from the truth and nobleness and pure goodness that reflect our Lord's desire for our lives.

What if we made a list (in advance) of true things? Noble things. Pure things. Lovely and admirable things. Excellent and Praiseworthy things. What if we had an actual list we could reference whenever the Adversary spams and scams our thoughts with temptation and taunts? We could reach for that list and speak aloud the goodness of God (all the time) in our life!

Sure, the world will continue its attempts to manipulate us with images of terror and voices of gloom and doom, but ours is not a "spirit of fear, but of love and of power, and a discerning mind." (2 Tim. 1:7) Talk about a "holy re-set!" When we open our eyes each morning and greet the new day, we can turn our thoughts to the Giver of all things true and good and lovely... What an *excellent* way to begin a new day!

Holding you in the Light of his love,

Rev. Lisa

P.S. Remember to make your list! And check it twice!

Nominations for Administrative Board & Officers

Sunday, Oct. 11 is the last day to turn in your nominations for church officers and Administrative Board members. Board members will serve a 2-year term, and the Board Chair and Church Treasurer will serve one-year terms. Attached to this Current is a nomination form for nominating members and officers for the Administrative Board. Note: The Church Treasurer may also serve in that role while serving as a member on the Administrative Board.

The Nominating Team will collect nominations and present a list of candidates to the Administrative Board for their approval at the October board meeting. If you have questions about the nomination process, please contact Rev. Lisa, Bill Greisner, or Liz Peters.

October Dine Local Wednesday, October 14

It'll be a lovely, scenic drive straight down Newtown Pike to Evans Orchard. You have the option to either **meet us at the orchard at 11:30 or join a group at church at 10:50 to carpool**. We'll have lunch from the Sweet Apple Café and table fellowship outside under the pavilion. (Let's hope for a bright, crisp fall day!) After lunch, everyone can wander the grounds, buy some apples, pick out a pumpkin or a beautiful mum, or peruse the gift shop. A menu and sign-up sheet are on the bulletin board.

Build Community, Build the Church

By Ann Greisner

On one of my journeys I had a conversation with a woman about how much we love our small church congregations. She also attends a church composed predominately of retired people from many backgrounds. We agreed on the benefits of the "fellowship with family" feeling we both get from church. She was taken aback when I proceeded to share all the activities we offer at Liberty Road. She was impressed and encouraged to hear about all we offer outside of Sunday mornings. If she was local she would definitely come to the card making class even though, like me, she has ZERO crafting abilities! She was excited to head to her home church and share activity ideas like Dine Local, Summer Frenzy, and even more church luncheons. I shared about the precious and sacred Companions group and the flag retirement ceremonies.

I ask you to take a moment and think about all the ways our congregation sets us up for "family" fellowship. All the special extras LRFF offers are opportunities to get to know people better and more intimately. We care about you and want to know you! Join the fun!!

Your Help Is Needed!

If you know anyone who might be interested in this dining room set, **please** invite them to contact the church for a time to see it. This beautiful table and chairs seat 8 and are solid red oak. It was donated to the church to sell, and the proceeds will be allocated for the resurfacing of the parking lot.

Over the last few Sundays, we have been blessed to hear personal Stewardship Moments from various members of our congregation. We are grateful to everyone who has shared. Thank you to the Mission Team and David Kirn for sharing the last couple of weeks.
